Foreword

The production of this CWA (CEN Workshop Agreement) specifying a financial transactional IC card reader (FINREAD) was formally accepted at the FINREAD Workshop's kick-off meeting on 1999-09-08 and published on 2001.

This document supersedes CWA 14174-1:2001.

This revised document was approved as CWA at a meeting of the WS-FINREAD participants on 2003-10-30, after a final review/endorsement round. The final text was submitted to CEN for publication on 2003-11-10.

The document has been developed through the collaboration of a number of contributing partners in WS-FINREAD, representing smart card interests as well as financial services.

This CWA has received the support of representatives of each of these sectors. A list of company experts who have supported the document's contents may be obtained from the CEN/ISSS Secretariat.

This CWA consists of the following parts, under the general title *Financial transactional IC card reader (FINREAD)*:

- *Part 1 : Business requirements*
- *Part 2 : Functional requirements*
- *Part 3 : Security requirements*
- *Part 4 : Architectural overview*
- *Part 5 : Download file format*
- *Part 6 : Definition of the virtual machine*
- *Part 7 : FINREAD card reader application programming interfaces (APIs)*
- *Part 8 : FINREAD client application programming interfaces (APIs)*
