Foreward

This document contains material based on the knowledge and experience of members of an IADC Task Group established to provide a forum to exchange the best practices of its Committee members. This material does not represent the practices of any one individual member of the Task Group or their employer. This document has not been reviewed or endorsed by the IADC Board of Directors.

No suggested method, practice, precaution or program set forth in this document shall be deemed to establish a legal standard of conduct or a legal duty, the violation of which would constitute negligence of any degree in any legal proceeding. IADC is not attempting to fulfill any duties or obligations of employers, manufacturers or suppliers to warn, properly train, or equip their employees or others who may be affected by their activities, concerning any health, safety or environmental risks or precautions.

IADC publications may be used by anyone desiring to do so. Every effort has been made by IADC to assure the accuracy and reliability of the data contained in them; however, IADC makes no representation, warranty, or guarantee in connection with this publication and hereby expressly disclaims any liability or responsibility for loss or damage resulting from its use or for the violation of any federal, state, or municipal regulation with which this publication may conflict.

Nothing contained in this document is to be construed as granting right, by implication or otherwise, use of the IADC name, logo, or trademark, for the manufacture, sale, or use of any method, apparatus, or product.

Suggested revisions to the guidance are invited and will be considered along with future changes to this document. Suggestions should be submitted to info@iadc.org, International Association of Drilling Contractors, 10370 Richmond Avenue, Suite 760, Houston, TX 77042.

Table of Contents

Incident Prevention	1
Incident Investigation	1
Incident Prevention	2
Accidents Don't Just Happen	3
Dangerous Thinking and Thoughts	4
General Safety—Do You?	5
Good Housekeeping	6
Start Safety with the Hiring.....	7
How's Your Own Safety?.....	8
Instructing for Safety	9
Know Your Accident Problems	10
Production + Safety = Security.....	11
Safety Consciousness.....	12
A Supervisor's Responsibility in Accident Prevention	13
Which Is It?	14
Who's Responsible?	15
Why Have Safety Meetings?.....	16
General Safety	17
Dropped Objects	17
Battery Charging: A Multitude of Hazards!	18
Checklist: Hazardous Materials.....	19
Chemical Safety: Be Careful with Those "Killers"	20
Choosing a Waste Management Company.....	21
Care and Use of Compressed Gas Cylinders	22
Confined Space Entry: General	23
Electrical Safety	25
Electrical Safety: Static Electricity	26
Emergency Evacuation of Rig Floors on Land Rigs.....	27
Hydrogen Sulfide (H ₂ S)	28
Hydrogen Sulfide: Responsibilities and Duties of Personnel	29
Lockout/Tagout.....	30
Machine Guarding.....	31
Transporting Flammable Liquids!.....	32
Vehicle Safety	33
Vehicle Safety: A Fast Mile May Be Your Last Mile	34
Vehicles: Seeing While You Drive	35
Vehicles: Highway Courtesy.....	36
Vehicles: Night Traffic Hazards	37
Vehicles: Velocitization.....	38
Welding, Cutting and Brazing Checklist	39
Welding: Confined Space.....	40
Welding Safety: General	41

Rig Activities	42
Accident Prevention around the Rotary Table	42
Blowout Prevention	43
Safety around BOPs	44
Casing Running Precautions	45
Catheads and Catlines	46
Correct Usage of Rope Swings	47
Crane Equipment Safety	48
Crane Safety	49
Crane Safety: Rigging and Slinging	51
Come-A-Longs and Chain Hoist Safety	52
Rigging and Slings	53
Crown Block Warning Devices	54
Cutting off a Drilling Line: Safe Procedures	55
Drawworks and Accessories: Operation and Maintenance Safety	56
Drilling Line Care, Inspection and Replacement	57
Dangers while Working Drill Collars	58
Dangers while Working Drill Pipe	59
Drill Stem Testing Safety	60
Rig Up/Down Elevator Links	61
Responsibilities of the Driller	62
Responsibilities of the Floorman	63
Engine and Generator Safety	64
The Floorman	65
Gas and Oxygen Welding and Cutting	66
Perforating Safety	67
Forklift Truck Maintenance and Operation	68
Do You—As a Motorman?	69
The Motorman Should	70
Raising and Lowering the Mast	71
Rig Floor Crew Activities	72
Rig Floor Safety Tips	73
Rigging Up/Down	74
Safety around Mud Cleaning Equipment (Shale Shakers, Desilters, Desanders, Centifuge)	75
Safety: From Rig Up to Spud	76
Safety while Tripping Pipe	77
Safety: While Making Hole	78
Safety while Repairing and Replacing Drive Chains and Greasing the Rig	79
Traveling Block Safety Control	80
Use and Care of Spinning Chain	81
Wire Rope Abrasion	82
Working on Mud Pumps	83
Hand and Power Tools	84
Hand and Portable Power Tools: General Guidelines	84
Safe Use of Electric Powered Hand Tools	85
Power Tools: Bench and Pedestal Grinders	86
Safe Use of Grinding Wheels	87

Hand Power Tool Safety..... 88

Abrasive Wheel-Equipped Grinders Checklist 89

Checklist: Portable Power-Operated Tools and Equipment 90

Chain Saw Safety Awareness 91

Hand Tool Safety: Electrical Powered Tools..... 92

Hand Tool Safety General 93

Hand Tool Safety: Files, Chisels, Hammers, Screwdrivers 94

Hand Tool Safety: Use of Pliers 95

Hand Tool Safety: Saws, Wrenches, Pliers and Vises 96

Hand Tool Safety: Using Hammers Safely 97

Hand Tool Safety: Clamps, Snips, Toolboxes..... 98

Managing Hand-Tool Hazards..... 99

Fire Prevention 100

 Fire Protection and Prevention..... 100

 Fire Safety Know How..... 101

 Fire: Easier to Prevent Than to Put Out..... 102

 Flammable Liquids: General Information 103

 Misuse of Flammable Liquids..... 104

 Flammable Liquids 105

Fall Prevention..... 106

 Fall Protection Guidelines 106

 Use and Misuse of Tail-Lines 107

 Safe Use of Ladders 108

 Ladders: General Information and Checklist..... 109

 Ladder Safety: Portable and Fixed Ladders..... 110

 Preventing Falls 111

 Slip, Trip or Fall 112

 Working Surface Safety 113

Personal Protective Equipment 114

 Personal Protective Equipment and Safety..... 114

 Checklist: Head and Face Protection..... 115

 Checklist: Foot Protection 116

 Eye Protection: Preserve Your Vision 117

 Emergency Showers and Eyewashes..... 118

 Eyes Are Everything..... 119

 Eye Protection...Are You Gambling With Your Eyesight? 120

 A Good Way to View the Future Is through Safety Glasses..... 121

 Gambling With Your Eyesight Could Make You a “One Eyed Jack”..... 122

 Face Protection 123

 Hints on Operation of the Personnel Net 124

 Work Clothes as Protective Equipment..... 125

 Foot Protection..... 126

 Hand Protection 127

 Hearing Conservation 128

 Selecting the Proper Eyewear Lens..... 129

 Taking Care of Your Hard Hat 130

Hard Hat Warnings and Precautions	131
To Wear or Not to Wear a Hard Hat	132
Weather	133
Cold Stress	133
Hypothermia	134
Cold Weather Safety: Winter Hazards	136
Keep Warm This Winter	137
Working in the Heat	138
Windstorm Safety Rules	139
Lighting Safety	140
Health.....	141
Back Safety and Lifting Techniques	141
Preventing Back Injuries through Proper Lifting Techniques	142
Back Safety: Lift and Like It!	143
That Sneaky Gas: Carbon Monoxide	144
Eating Right for Safety and Health	145
Just How Sleepy Are You?	146
Fatigue behind the Wheel or in the Workplace	147
Fatigue Kills	148
Health: Bloodborne Pathogens	149
Heat Stress Hazards	150
Heat Stress Precautions and Ill Effects	151
Identification of Chemical Abusers in Work Areas	153
Manifestations of Specific Drugs	154
Narcotics Awareness on the Rig	155
Radiation Safety	156
First Aid	157
Artificial Resuscitation Techniques	157
Injured Person: Transportation and Wounds	158
Cold Facts	159
First Aid for Insect Bites	160
Spider Bites	161
First Aid: General	162
Injuries Due To Cold	163
Heat-Related Conditions	164
High Temperature + High Humidity + Physical Work = Heat Illness	166
