EMERGENCY CONTACTS

POLICE OR FIRE BRIGADE: DIAL 000—IF INEFFECTIVE DIAL 1100 (EXCHANGE)
POISONS INFORMATION CENTRE: 13 11 26

Organization	Location	Telephone	Ask for
		Include area code in brackets	

HAZARDS

FIRE	<p>Will accelerate burning when involved in a fire. May explode from heating, shock, friction or contamination. Some will react explosively with hydrocarbons (fuels). May ignite combustibles (wood, paper, clothing, etc.) Fire may produce irritating, poisonous and/or corrosive gases. Containers may explode when heated. Runoff may produce explosion hazard. May decompose explosively when heated or involved in a fire.</p>
HEALTH AND ENVIRONMENT	<p>Inhalation or contact with vapour, dusts or substance may cause severe injury, burns or death. Runoff from fire control or dilution water may pollute waterways. Mixtures with combustible and flammable materials or finely divided metals may be explosive and sensitive to friction.</p>

PROTECTIVE CLOTHING

EMERGENCY RESPONDERS	<p>Wear SCBA and chemical splash suit. Structural firefighter's uniform will only provide limited protection.</p>
